# BATCH 2022

2nd RANK

Jamia Millia University

**SAFEENA**

*The amazing faculty and the notes provided by Rufa have a very big role in making me achieve this. Also, the daily mock tests as well as Mega mock tests helped in boosting my confidence and in testing and improving my skills. The mentoring system was of great help. A very big thanks to team Rufa.*

*-(2nd RANK Holder - All India level PG entrance exam of Jamia Millia University, New Delhi - Under OBC Women Category)*

## What our students are saying about RUFA

**Farshana**

*It has been a truly invaluable experience with Rufa which helped me for my msc entrance preparation. The presentations provided were upto point and daily mock test helped me find my standpoint thus played a great role in my growth.*

*Farshana - (MSc Psychology, Kerala University)*

**Fida Kadavath**

*RUFA's daily mock test and well structured class definitely helped me crack my PG entrance exam.*

*I am always grateful to the entire RUFA team for making my dream come alive.*

*- (RUFA Psychology PG Entrance Batch - 2021)*

# WHY CHOOSE RUFA

## 🔍 **Brainstorm topics**

Our discussion board lets you interact with students and educators to share, analyze and critically evaluate latest revisions and current trends on subject of interest, which enables effective interactive learning that helps you understand each topic in detail.

## 🔍 **Interactive Live sessions & Recorded classes**

We provide a space tailored to your needs that encourage concept oriented learning from the comfort of your home or in live interactive spaces by our professionals and faculties providing informative and in-depth education

## 🔍 **Content oriented materials**

RUFA provides concise, researched, rich content-oriented learning materials prepared by professionals in their field of expertise.

## 🔍 **Entrance exam oriented intense preparations**

RUFA engages our students with rigorous training targeted at mastering the various entrance examinations including M.Phil, P.G, Ph.D. programs.

🔍 **Smart learning with previous years' papers and daily MCQs**

We train our students to gain sharp focus and face exams effectively using previous patterns of various entrance examinations and daily updated multiple choice question test set

🔍 **Personalized doubt clearing and monitoring**

We cater individualized doubt clearing and explanatory sessions conducive to students' specific learning styles, from simplest to highly abstract concepts. This ensures everyone gets a fair value from our classes.

🔍 **Newly-Launched Smart LMS**

Our latest user-friendly, advanced technology-based platform made easy for students to engage attentively and learn with enthusiasm while monitoring progress based on your performance.

# COURSE DETAILS

Admission continues

**Classes start from 1st April 2023**

[2 month programme with **Live** classes and MCQs]

The course would help Psychology aspirants to familiarize themselves with commonly asked MCQs and gain conceptual knowledge in various topics. Website-assisted practice tests and downloadable result analysis provides live feedback on current performance and helps you to identify specific areas that require improvement.

Live and recorded classes with doubt-clearing sessions from eminent faculty, will help improve your preparation further. When you tend to feel bored, our mentoring team is there to push you.
