COURSE DETAILS and SCHEDULE

Admission continues

Classes start from April first week - 2023

[2 Month Crash Course)

“ The classes are designed to make you go through the maximum number of problem-solving sessions based on the CUET UG previous year questions and NCERT textbook for each domain subject and English and General Test taken by expert faculties. There will be Live doubt clearing sessions of each subject to clear your doubts.

You will be required to watch a certain number of classes and tests almost every day based on the course calendar (which will be provided later). there will be mentors who will periodically check on you on your progress in the course. you can connect with the mentors for doubt clearing and any other support you need to optimize your preparation.

There will be activities, sessions and quizzes that you need to be a part of to keep the journey engaging. You will never feel bored even though online classes are accused of being boring.
